Career Choice And Development Applying

The Forestry Career Development Event (CDE) requires students to demonstrate their skills in diagnosing forest disorders, managing forests and forest inventory and applying approved silviculture practices. Participation in the event offers students experience relevant to a career choice in forestry and natural resources. A team event for four students, this CDE provides recognition for those ...

Forestry - National FFA Organization

A career in business development is challenging but can also be incredibly rewarding. At most companies, joining the business development team is a great choice for recent college graduates looking to get their foot in the door.
