If you're looking for  
some fun fiction to  
enjoy on an Android  
device, Google's  
bookshop is worth a  
look, but Play Books  
feel like something of  
an afterthought  
compared to the well  
developed Play Music.

Another option is the digital vision board. For instance, there are huge differences between traditional and digital vision boards. For the moms like myself who do not have a magazine subscription, digital vision boards are awesome!. From Pinterest to the new pre-made digital vision board apps its's simple to create one.
