History Essays - UKEssays.com

The realignment of black voters from the Republican Party to the Democratic Party that began in the late 1920s proliferated during this era. This process involved a "push and pull": the refusal by Republicans to pursue civil rights alienated many black voters, while efforts—shallow though they were—by northern Democrats to open opportunities for African Americans gave black voters ...

The Crusades and travel during the middle ages opened new trade options for England. More trade saw the growth of more towns and thus more merchants. Another disruptive force was the increase of communication, which broke down the isolated homesteads, assisted the rise of towns, and facilitated the emergence of the middle-class.
