Ronald David Laing (7 October 1927 – 23 August 1989), usually cited as R. D. Laing, was a Scottish psychiatrist who wrote extensively on mental illness – in particular, the experience of psychosis.Laing's views on the causes and treatment of psychopathological phenomena were influenced by his study of existential philosophy and ran counter to the chemical and electroshock methods that had ...

R. D. Laing - Wikipedia

Primal therapy is a trauma-based psychotherapy created by Arthur Janov, who argues that neurosis is caused by the repressed pain of childhood trauma. According to Janov, repressed pain can be sequentially brought to conscious awareness for resolution through re-experiencing specific incidents and fully expressing the resulting pain during therapy.

The New Wave of British Heavy Metal in the early 1980's is commonly thought to be the point at which this loud and larger than life genre of music began to gain steam and become much faster and more aggressive, but one need look no further than the early work of Motörhead (okay, punk is important in the equation too) for a sense of where the increased focus on speed came from.

THEMES FROM GREAT CITIES

By definition homosexual desire is sexual narcissism or sexual self-deception. There is either (1) a conscious recognition that one desires in another what one already is and has as a sexual being (anatomy, physiology, sex-based traits) or (2) a self-delusion of sorts in which the sexual same is perceived as some kind of sexual other.
