Machiavelli in Love introduces an exciting new concept of sex and sexual identity and their roles in the culture and politics of the Italian Renaissance. Guido Ruggiero's study counters the consensus among historians and literary critics that there was little sense of individual identity and almost no sense of sexual identity before the modern period.

The relation between individual and society is very close. Essentially, "society" is the regularities, customs and ground rules of antihuman behavior. These practices are tremendously important to know how humans act and interact with each other. Society does not exist independently without individual. The individual lives and acts within society but society is nothing, in spite of the ...
