Telling a story can captivate an audience; that is, with the right techniques and a little practice. Remembering and retelling the plot: map the plot as a memory technique; use story skeletons to help you remember the key events; think of the plot as a film or a series of connected images; tell yourself the story in your own words

Storytelling - benefits and tips | TeachingEnglish ...

As humans, we love stories. For as long as we have had speech, stories have been used to communicate emotions and experiences. Stories can be used for lots of different purposes - to educate, to provide pleasure, to solve problems. But here we're considering how to use them to communicate the difference your organisation makes in people's lives - your outcomes and impact.

How to tell your impact story – NCVO Knowhow

Stories are pieces of art, and can serve as a basis of games. We can study how a story is told/performed/presented (presentation analysis). And we can study the actual content of the story (content analysis). A distinction can be made between actual storytelling, and presenting a story through other mediums.
