### The Story Of You Katy

The Story of You is my first book by Katy Regan and I've been blown away. The Story of You follows the story of Robyn King, who is a psychiatric nurse, dealing with mental health patients every day. She has moved on since the events of that fateful summer back in 1

### The Story of You by Katy Regan - Goodreads

The Story of You (so far!) centres on a mental-health nurse called Robyn, who deals with other people's difficulties professionally yet seems - from the first eight chapters I whizzed through til 2am last night/this morning - to have faced some pretty major ones in her own life, too.

The Story of You - Katy Regan I do like a title that's open to interpretation, and that's kind of the case with The Story of You . Initially I thought the 'you' was one person, then I realised the blurb and novel were suggesting it was a different person, but I finished the book feeling that it could actually be about a third person.

Kate Reed Petty examines how one decision affects multiples lives for decades to come in a story that grips you by the throat and keeps you turning the pages. At a high school party, Alice gets blackout drunk and is given a ride home by two boys who then brag about what they did to her before dumping (literally) her at her front door.
